

OCT 10 1953

The Honorable Charles E. Potter/
United States Senate
Washington 25, D. C.

Dear Senator Potter *Charlie* :

Thank you for your letter of 1 October 1953, with its enclosures regarding [redacted] of Michigan, who would like a position with CIA.

[redacted] applied for a position here in 1950, at which time we were unable to employ him. He contacted us again in the summer of 1951, and at his request we again reviewed his application and were still unable to employ him. However, in the light of your interest in this case, I am again forwarding his papers to our Personnel Office with instructions that they review his case and also call him in for an interview to see if there are any current possibilities. Frankly, I cannot be too hopeful in view of the fact that we are doing very little hiring at the present time. However, you may be assured that [redacted] papers will receive every consideration.

With kindest regards, I am

Sincerely,
